

WESTCARE FOUNDATION is proud to provide programs across the continuum of health and human services. Every doorway into a WestCare program is designed, not only to lead to solutions for the presenting issue, but also to be a first step toward identifying other potential complicating and co-occurring factors impacting the life of a whole human being. WestCare's trauma-informed, person-centered continuum of care spans fifteen States and two US Territories and is recognized for clinical excellence, coordinated access, and collaborative innovation.

WESTCARE'S MISSION is to empower everyone with whom we come into contact to engage in a process of healing, growth and change benefiting themselves, their families, coworkers and communities.

WESTCARE'S VISION is to devote our best collective and individual efforts toward "uplifting the human spirit" by consistently improving, expanding and strengthening the quality, efficacy and costeffectiveness of everything we do in building for the future

Friends of WestCare

Your donation will help to support WestCare's critically needed programs and services, but more importantly, your donation helps to uplift the human spirit for many real people . . . struggling individuals and their families. Opportunities are unlimited to give to the vital work of WestCare. No gift is too small to make a difference in the life of an individual or a family.
